L'AZIENDA

Lo Snodo S.r.l. è nata nel 1966 a Rolo, come azienda produttrice di snodi agricoli. Nel 2006 è stata acquisita in AMA Group, per completare la sua produzione.

Terzi punti, snodi agricoli e industriali, realizzati a richiesta del cliente sono il prodotto principale della produzione italiana di Lo Snodo.

Prodotti:

- **Terzi punti**
- **Ganci rapidi e ricambi**
- **Catene imbrigliamento e stabilizzatori**
- **Perni, spine e coppie**
- **Snodi agricoli e industriali**
